1. Purpose

The objective of Expenditure, Advance and Transfer (EAT) module of Public Financial Management System (PFMS) is to help Program Implementing Agencies (PIAs) in filing of expenditure, transferring funds, advances and its settlement.

The process of feeding the day to day transactions as recorded in the cash book of the PIA on the PFMS portal is called expenditure filing. A step by step guide for each activity is provided in detailed in this user manuals.

The following activities need to be completed by the Program Division (PD) for implementation of EAT:

- PIA Registration
- Hierarchy Mapping
- Identifying Components

Once PIA is registered on PFMS, it will receive an Agency Admin log in and password.

2. Steps involved in expenditure filing

2.1 Login into PFMS with Admin credentials

![Login to PFMS System](image1)

Figure 1: Login to PFMS System

2.2 Creation of Maker and Checker

(Refer User Manual – Role of Administrator)
2.3 Entering receipts of PIA

The receipts of a PIA consists of opening balance, receipts from Central Government, receipts from other PIAs, receipts from State Government, returned by other PIAs, interest income, income from other sources, etc. All these details will be entered by the data operator and will be approved by the data approver.

2.3.1 Opening Balance

The opening balance as per the cash book as on 1st April of the financial year is to be entered on the PFMS portal. This is a one-time exercise when the PIA starts filing expenditure on PFMS. In subsequent years, the opening balance will be automatically available in the system.

Step1: For entering opening balance, the data operator will login into PFMS portal and select My Funds>Opening Balance from the menu.

Step2: Click on Add Opening Balance button.
Step3: Select Scheme to which the opening balance is to be added from the drop down list.

Step4: Select the Bank Account in which the opening balance is to be added (For Cash Balance, select Cash option from the drop down).

Step5: Available balance in the system against the bank account selected will be displayed by the system. At the start of Expenditure Filing by PIA, the available balance will be Zero.

Step6: Enter Opening Balance Amount.

Step7: Select Opening Balance Date (This should be the date of beginning of EAT Module on PFMS).

Step8: Select Transaction Type (Component Wise option is for entering the opening balance against each and every component whereas Bulk option is for entering the opening balance against all components).

Step9: Select ‘Is Reversal Entry’ check box option for making a reverse entry (deduction) from opening balance entered.

Step10: After entering all the details, click on Save button to save the opening balance in the system.
**Step 11:** A message “**Opening balance saved successfully**” will be displayed.

Once the data is submitted by the data operator (Maker), it will be sent to Data Approver (Checker) for his approval. The steps are as under:

**Step 12:** Data approver will log in and go to **My funds>Opening Balance**. The opening balance submitted by data operator (Maker) will be displayed in the page.

**Step 13:** Click on **Bulk** button under **Scheme Component** to open the opening balance details page.
Step 14: Verify the details of opening balance.
Step 15: The approver can approve/reject/cancel transaction by clicking on Approve/Reject/Cancel Transaction button.

Note: The balance in the selected bank account for opening balance will be inflated to the extent of approved opening balance amount.

In case entry is ‘Rejected’ by checker, it can be edited and re-submitted by the data operator to him for his approval.

2.3.2 Receipts from Central Government

As and when the fund is released by the central government directly to the PIA, it becomes visible as shown below:

Step 1: Select My Fund> Received from Central Govt. from the menu. A new page will open showing all the details of sanctions/releases from Central Government.
Step 2: Click on the **Sanction Number** to verify the details.

![Figure 8: Details of Sanctions from Central Government]

Step 3: Click on “**Received**” button to receive the amount. In case the sanction does not pertain to the PIA, it can be returned by clicking on “**Not Received**”. (This action is to be done only by the **Agency Administrator**).

![Figure 9: Receipt to PIA]

### 2.3.3 Receipts from other PIAs

To receive the funds transferred by parent PIA/higher level PIA. The steps are as follows:
