

2025

ATL CALENDAR

Your one place guide for all
the **ATL** activities this year

Resources

Atal Tinkering Labs

ATL Establishment

Schools are expected to set up your ATL within 3 months from the date of receipt of ATL grant. We have created a set of ATL guidelines and ATL informational videos, that will help you in the ATL establishment process.

AIM Website

ATL Guidelines

All ATLs must follow the ATL Guidelines without fail. It is mandatory for the schools to use GeM, PFMS and MyATL dashboard for procurement, financial and operational updates respectively.

ATL Guidelines

ATL Curriculum

The ATL in-charge must integrate the ATL curriculum in the regular school time table.

ATL Curriculum

ATL Teacher Training

It is mandatory for an ATL in-charge to undergo teacher training sessions (online and offline) conducted by AIM, NITI Aayog and its partners.

Online Teacher Training

Activity Hand book

ATL Equipment Manual

This comprehensive guide provides students and educators with all the information they need to harness the latest tools and technologies in ATLs.

ATL Equipment Manual

AIoTT Integration in Curriculum

The compendium is a collection of lesson plans on how AIoT integration can be used to enhance learning in a classroom.

AIoT Integration in Curriculum

MyATL Dashboard

It is mandatory for every school to update their monthly ATL activities and submit them on the MyATL Dashboard.

MyATL Dashboard

Subsequent Tranches of ATL Grant-in-aid & Utilization Certificate

Every ATL will be required to submit a Utilization Certificate every year. The release of subsequent funds shall be a function of the performance of an ATL establishment process.

Grant in Aid Utilization Guidelines

Resources

Atal Tinkering Labs

Update ATL Contact Details

To update the contact details of the ATL schools in AIM Database, kindly update the details using the following link

ATL Contact Details

ATL Query Resolution System

In case of any queries, school may write to us through the ATL Query Portal.

ATL Query Resolution System

ATL Sarthi

ATL Sarthi provides tools and support to schools to adopt a self-monitoring approach for better and continuous performance.

ATL Sarthi

ATL Mentor of Change

ATLs are assigned Mentor of Change through AIM, NITI Aayog based on requirement of the schools. The details for the mentors shall be shared on the registered email address of the ATL School in-charge. The MoCs and ATL school are expected to coordinate for the Mentoring sessions for the ATL.

ATL Mentor of Change

ATL Guidebook

AIM has created the ATL Guidebook, which captures everything you need to run your ATL, including establishment, best practices and case studies. It is a comprehensive resource aimed at empowering schools, students, teachers, mentors, and industry partners
